**RULES REVIEW:**

- Boards will be placed 30 feet apart, measured from the center of the hole.
- The front of the board will be used as the foot fault line.
- Teammates play on opposite ends, with each team alternating throws.
- If a foot foul or illegal throw occurs, the bag is removed from the board.
- After each team has thrown its 4 bags, the scores are tallied to determine who won the round.
- Bags landing in the hole count as 3 points, and bags landing on the board count as 1 point.
- The winner of the round adds the difference in round score to their total game score.
- Rounds ending in a tie result in zero points for either team.
- The team which scored the most points the previous round will shoot first in the following round. If play results in a tie, the team leading in overall score will shoot first.
