## Eligibility

It is the responsibility of the visiting university to verify the eligibility of all players. Such verification should be led by the institution's Intramural Sports professional staff prior to participation. Players must be enrolled for the minimum number of hours (listed on NIRSA Championship Series Eligibility Guidelines website) at least 45 days prior to the beginning of the event. Players may not be listed on the varsity roster (or declared a professional athlete) in the same or related sport. Each team's roster may include no more than one former varsity athlete (in the same or related sport). Each roster is limited to players from a single institution.

## Game

Game play will consist of two 20-minute halves. Clock will run continuously until the last 2 minutes of each half when it will stop for all whistles. There will be a 5-minute halftime.

## Mercy Rule

If a team is ahead by 15 or more points at the 2-minute mark in the second half, the clock will not stop. If the margin becomes less than 15 points, timing regulations will return to standard timing.
