It is the captain’s responsibility to verify team records and ascertain his/her team's playoff eligibility by checking the information posted on the website. A team’s record and sportsmanship is final at 12:00pm on Thursday, October 1st.

The Playoff Selection Draft will take place on Thursday, October 1st on imleagues.com beginning at 7:30pm. The captain for each eligible playoff team will receive an e-mail by 2:30pm on Thursday, October 1st, 2015 with their draft selection time. Draft selection time will be determined by the following criteria: winning percentage, sportsmanship rating, head-to-head record, point differential. Please complete the following steps to select your team’s spot in the playoff bracket.

1. The team captain must log on to their account on imleagues.com.
2. Click on the team that you are going to register for the playoffs.
3. Click the link to the playoff bracket in the yellow box at the top of the page.
4. When it becomes your team’s selection time, select any open spot in the playoff bracket. Please note: Once you select a spot, you will not be able to change your spot in the bracket!
5. Each team will be given a 2-minute window to select their spot in the bracket. If you miss your team’s assigned time to select your position, you will still be able to select any open spot in the bracket until the end of the Playoff Selection Draft. If your team fails to select a spot before the end of the draft, your team will be randomly assigned to an open spot in the bracket by a RecSports staff member.

If a team is playing multiple playoff games on the same evening, the request must still be submitted at least 48 hours prior to the game. League coordinators will make an effort to reschedule contests due to multiple team members having intramural or class conflicts. If a mutual time cannot be found between the league coordinator and two teams, the game will continue as previously scheduled.
