University of Florida and Department of Recreational Sports

The University of Florida is one of only 17 public land-grant universities that belong to the Association of American Universities. With an enrollment of 50,000 students, UF provides high quality instruction to prepare the future leaders of the state and nation. The Department of Recreational Sports strives to provide an extensive array of leisure and recreational opportunities. Approximately 87% of UF students participate in RecSports programs and services which include two recreation centers, two strength and conditioning facilities, an assessment center, a training center, an indoor track, nine multi-purpose field areas, an outdoor recreation complex, two lakeside parks and the UF Outdoor Team Challenge Courses. Program areas include Aquatics, Athletic Training, Competitive Sports, Facility Operations, Fitness, Lake Wauburg, Marketing, Risk Management and Staff Development and Training.

Requirements:
To be considered for an assistantship, students must meet graduate school requirements and be admitted as a degree-seeking graduate student at the University of Florida. The minimum requirements include: a 3.0 GPA overall, a 3.0 GPA in the last 60 hours, and a minimum 154 verbal/145 quantitative on the GRE. To maintain the assistantship, a 3.0 or better grade point average must be maintained each semester. Students also must meet minimum course registration requirements for each semester they are appointed. Students must be enrolled in nine credit hours of graduate course work during the fall and spring terms.
