DIVISIONS OFFERED
Men’s, Women’s, Co-Rec, FHSAA High School Flag Football and Special Olympics divisions will be offered. All players are eligible to participate on one men’s or women’s team and one co-rec team.

ELIGIBILITY
It is the responsibility of each team’s institution to verify the eligibility of all players. Such verification should be determined by the institution’s intramural sports professional staff prior to participation. All players eligible to participate on their home campus will be eligible for Swamp Bowl. Exception: Professional football athletes, current or former, are not eligible to participate in the Swamp Bowl tournament. An athlete will be deemed a “professional” if they were on an official roster in the NFL, NFL Europe, the Arena League or the CFL. Participants who have been affiliated with other organizations around the world are eligible for the tournament. Current football scholarship athletes are not eligible for participation. If such a player ends participation in collegiate football they are eligible for the tournament beginning the next academic year. Former NCAA football athletes may participate, however a maximum of two are allowed per roster. Please note that eligibility requirements may differ if a team advances to the national tournament.
