| TIMEOUTS:          | One time out will be given to each team per match. |
| FORFEITS:          | GAME TIME IS FORFEIT TIME. A team consists of any combination of males or females. A team must play with two members. If one of the team’s members gets injured or cannot finish out the tournament, another player may be added to the roster. This player may be used as a sub, but must only sub in for one player. At game time, if one player is present and checked in, the team may use the 10 minute rule to reach the full 2 members needed to play in the match. |
| SPORTSMANSHIP:     | Each team begins the game at a sportsmanship rating of 8. The conduct and demeanor of the team before, during, and after the event will determine whether the sportsmanship rating is raised, lowered, or kept the same. It is highly encouraged that you speak with the on-site supervisor to check your sportsmanship rating during and after a game. |
| CHAMPIONSHIPS:     | Intramural Sports Championship T-shirts will be awarded to the winning team in the tournament. A maximum of 3 shirts per team. |
| RULES REVIEW:      | Kan-Jam consists of one flying disc and two scoring containers, which serve as goals.  
|                     | • The goals will be placed 50 feet apart, measured from the front of the goals.  
|                     | • The object of the game is to score points by throwing/deflecting the flying disc and hitting or entering the goal.  
|                     | • The game ends when a team scores exactly 21 points or an "Instant Win" is scored.  
|                     |   o Instant Win: when the thrower lands the disc inside the goal unassisted by his/her partner. The disc can enter through the slot opening or the top of the goal.  
|                     | • A coin toss or similar method will be used to determine which team throws first.  
|                     | • Teams must make an equal number of turns before the game is over, except when an "Instant Win" occurs.  
|                     |   o If a Team A reaches 21 points and Team B hits an "Instant Win" on one of their two remaining throws, Team B wins the game.  
|                     | • One partner throws the flying disc and, when necessary, the other partner redirects it toward the goal.  
|                     | • After both partners complete one throw each, the opposing team will take their turn.
