Details
Aluminized surface reflects heat, returning it back to your body; increases overall warmth from previous model by nearly 20%
Pad is engineered for extreme alpine climbing, adventure racing and long-distance backpacking when reducing weight is paramount
Egg-carton pattern increases softness and adds insulation by trapping warm air under your sleeping bag
Therm-a-Rest Z Lite Sol mattress uses an accordion-style design that lies flat instantly and folds up into a small package quickly and easily
Closed-cell foam withstands years of use and abuse
Made in USA.

Specifications
Best Use: Backpacking
Sleeping Pad Type: Closed-cell foam pad
Sleeping Pad Shape: Rectangular
Insulation Type: Closed-cell foam
R-Value: 2.6
Ultralight: Yes
Gender: Unisex
Small: 51 x 20 x 0.75 inches, 10 ounces
Regular: 72 x 20 x 0.75 inches, 14 ounces
**Sleeping Bag**

**Cat’s Meow**

**Details**
Climashield™ Prism synthetic insulation and soft silken lining combine to make the Cat’s Meow a classic bag for three-season mountaineering treks down to 20°F. With creature-comfort features such as a glow-in-the-dark zip pull, a chest-level watch pocket, and a reinforced Velcro® flap at the head-level zip, this bag continues to be admired among campers and backpackers alike.

**Benefits**
Highly-compressible layer for emergency use or travel.

**Features**
- Buttery soft fabrics
- Climashield® Prism shingled construction with Climashield® Apex layered against the body
- Glow-in-the-dark pull-loop on zipper
- Inspired fit and function
- Internal draft tube pockets keep essentials warm and within reach
- Light compression stuffsack
- Tip: Get a bag 15-20 degrees cooler than what you are using it for if you are a cold sleeper
- EN Tested 13537
