VOLUNTEER COACH/INSTRUCTOR FORM

SPORT CLUBS

ROLES & RESPONSIBILITIES

Volunteer Coaches/Instructors serve at the discretion of their club's members and the Department of Recreational Sports staff. As such, the Coach/Instructor is expected to adhere to the following guidelines.

- The Coach/Instructor must be aware of and follow all University of Florida and Department of Recreational Sports policies and procedures relative to Sport Clubs and the Sport Clubs Council.
- The Coach/Instructors should restrict his/her contributions to coaching/instructing and should refrain from activities involved in the club's management. A sport club is first and foremost a student organization and, as such, the student leaders (not the Coach/Instructor) must serve as the link between the Club, the Sport Clubs Council and Sport Clubs staff. The philosophy and key to the success of the Sport Clubs Program has been the continued emphasis placed on student leadership and participation.
- Coaches/Instructors are expected to help in ensuring that the <u>Sport Clubs Standard of Conduct</u> is adhered to at all times, including during practices, competitions, travel, and other club functions.
- Club business matters (i.e., hosting events, submitting forms, meetings, facility requests) must be handled by the student members. The Faculty Advisor and the Coach/Instructor serve in an advisory capacity. <u>Activities and events should be coordinated by the student leadership, not by the Coaches/Instructors</u>.
- Participation in Sport Clubs is completely voluntary. Therefore monetary rewards or other forms of compensation shall not be promised or given to any player or prospective player by the Coach/Instructor.
- Coaches/Instructors must be recommended by the club and renew their application each academic year. Continuation of coaching/instructing duties is not a right and will be voted upon by the club membership.
- Coaches/Instructors are not permitted to use University of Florida equipment for private off-campus lessons even when coaching/instructing University of Florida students.
- The Coach/Instructor shall not use University of Florida facilities for private instruction.
- It is HIGHLY RECOMMENDED that all Coaches/Instructors purchase personal medical and liability insurance.
