### RULES REVIEW:
USA Outdoor Volleyball Rules govern all rules not covered in Intramural Sports rules:
- A maximum of 4 players can play during each match.
- Players may play barefoot, in socks or shoes without cleats.
- Maximum of 3 team contacts.
- Serves will be played off the net if they fall into the opponent’s side of the court.
- Players may use any part of their body to play the ball.
- When contacting the ball with one hand, it must be cleanly hit with the heel or palm of the hand, with straight, locked fingertips, knurled fingers, or the back of the hand from the wrist to the knuckles.
- It is a fault when a player completes an attack on the opponent’s service, if the ball is entirely above the height of the net.
- Since this is self-officiated, any disputing point will be a replay.

### CO-REC RULES REVIEW:
- Teams may consist of 2M/2F or 1M/2F or 2M/1F.
- Men can only sub for men, and women for women.
- If more than one contact occurs at least one contact must come from a player of each gender.

**PLAYING WITH MULTIPLE TEAMS**

- **Regular Season:** Participants may play on as many teams as they wish during the regular season. If a participant wishes to play during the playoffs, they must sign up on the roster of their "Home Team" first. Once a participant is on the roster of their home team, they may participate on other teams in that league by checking in with the Supervisor on site and completing the "Rover Rule Form" (also known as the Joining Additional Teams Form).

- **Playoffs:** The first team the participant plays for in a league at any point during the sport is considered their "Home Team," and their eligibility will only be permitted on those teams for playoffs. This means that a participant will only play on a maximum of one co-rec team and one other team in the playoffs. If a participant’s "Home Team" is not participating in playoffs, the participant may not join another team in that league.
