**RULES REVIEW:**  
USA Badminton Rules govern all rules not covered in Intramural Sports rules:  
- A match consists of the best of 3 games of 21 points  
- Every time there is a serve – there is a point scored (rally scoring)  
- The side winning a rally adds a point to its score.  
- At 20 all, the side which gains a 2-point lead first, wins that game  
- At 24 all, the side scoring the 25th point, wins that game  
- Rock, paper, scissors will decide the serve of the first game  
- The side winning a game serves first in the 2nd and potentially 3rd game  
- In the 3rd game, players change ends when the leading score reaches 11 points  
- Serving – when the server’s score is even, the server serves from the right service court. If the server wins a rally, the server scores a point and then serves again from the alternate service court
