**GAME TIME IS FORFEIT TIME**

A team forfeits when they fail to have any players legally signed in and properly attired to play at the scheduled game time. If a team has less than the minimum number of players, but at least one person legally signed in and properly attired to play, a team will be given ten minutes from scheduled game time to reach the minimum number of players needed to begin a contest. Participants will not be given warm-up time for showing up after scheduled game time. Please refer to the Participants Guide for more information.

Pickleball is **self-officiated**. Players must play using the honor code system. Teams are responsible for keeping their spectators and players under control. Misconduct of spectators, players or coaches can result in assessment of an ejection or forfeiture of the game. Spectators must also remain in the area designated by the supervisors. The supervisors shall have the power to make decisions on any contested calls, matters or questions not specifically covered in the rules. Supervisors also have the right to use creative measures to control the conduct of players or spectators. All decisions made by supervisors are final, such as if a supervisor has given multiple warnings and the behavior is not corrected, a team may be penalized by playing down a player for three minutes.

All matches will be governed by the U.S.A.P.A. rules except where intramural rules allow for variation.

2.1 Teams will consist of EITHER individuals playing single gender leagues (Men's/Women's) or 2 players playing as a doubles team (Open).

2.2 If a team shows up with 1 player for Doubles (Open), the team receives 10 minutes to acquire a second player/rover player. The team that utilizes the 10-minute rule will start down 0-1 in the first match of the game.

**4. Double-Bounce Rule**

4.1 When the ball is served, the receiving team must let it bounce before returning, and then the serving team must let it bounce before returning, thus two bounces.

**4.2.1** The double bounce rule is enforced as a point against the team that breaks it.

### **5. Non-Volley Zone**

**5.1** The non-volley zone is the court area within 7 feet on both sides of the net.

**5.1.1** Volleying is prohibited within the non-volley zone. This rule prevents players from executing smashes from a position within the zone.

**5.2.1** A player may legally be in the non-volley zone any time other than when volleying a ball.

### **6. Line Calls**

### **7. Faults**

**7.1** A fault by the receiving team results in a point for the serving team.

**7.2** A fault by the serving team results in a point for the receiving team.

**7.3** A fault occurs when:

**7.3.1** A serve does not land within the confines of the receiving court.

**7.3.3** The ball is volleyed before a bounce has occurred on each side.

**7.3.4** The ball is hit out of bounds.

**7.3.5** A ball is volleyed from the non-volley zone.

**8.2** An ejection of any player and/or coach and/or spectator will result in a sportsmanship rating of 0.

**8.3** If at any time a team has 2 players and/or coaches and/or spectators ejected from the match, the offending team will immediately default the match.
