<b>FORFEITS:</b>	<b>GAME TIME IS FORFEIT TIME</b> A team forfeits when they fail to have any players legally signed in and properly attired to play at the scheduled game time. If a team has less than the minimum number of players, but at least one person legally signed in and properly attired to play, a team will be given ten minutes from scheduled game time to reach the minimum number of players needed to begin a contest. Participants will not be given warm-up time for showing up after scheduled game time. Please refer to the Participants Guide for more information.
<b>PLAYING WITH MULTIPLE TEAMS:</b>	Regular Season: Participants may play on as many teams as they wish during the regular season. If a participant wishes to play during the playoffs, they must sign up on the roster of their "Home Team" first. Once a participant is on the roster of their home team, they may participate on other teams in that league by checking in with the Supervisor on site and completing the "Rover Rule Form" (also known as the Joining Additional Teams Form).  Playoffs: The first team the participant plays for in a league at any point during the sport is considered their "Home Team," and their eligibility will only be permitted on those teams for playoffs. This means that a participant will only play on one Open team in the playoffs. If a participant's "Home Team" is not participating in playoffs, the participant may not join another team in that league.
