On the third foul the kicker will be called out. • If a kicking team’s ball comes to rest without being contacted by the fielding team and does not completely cross the semicircle line that will be placed approximately 10 feet from home plate, the kicker will be called out and all runners will return to their original bases. • Only players in the kicking lineup are eligible to play in the field. • Fielding teams must field a catcher. • The fielding team pitcher must remain behind the pitching mound until the ball is kicked. • One player may roam anywhere within the infield. However, the one “roamer” may not cross the semicircle line until the ball has been kicked. <p>PLAYING WITH MULTIPLE TEAMS</p>	<ul style="list-style-type: none"> ☐ <u>Regular Season:</u> Participants may play on as many teams as they wish during the regular season. If a participant wishes to play during the playoffs, they must sign up on the roster of their “Home Team” first. Once a participant is on the roster of their home team, they may participate on other teams in that league by checking in with the Supervisor on site and completing the “Rover Rule Form” (also known as the Joining Additional Teams Form). ☐ <u>Playoffs:</u> The first team the participant plays for in a league at any point during the sport is considered their “Home Team,” and their eligibility will only be permitted on those teams for playoffs. This means that a participant will only play on a maximum of one team in the playoffs. If a participant’s “Home Team” is not participating in playoffs, the participant may not join another team in that league.
